“ *My condolences to the family. Deb was such a wonderful person. I can remember when we used to sit on Debs porch and play cards. All the ladies used to gather there. Deb you Rest Easy now. You are gone but never forgotten. I think back to when we worked together cleaning up schools on the CETA program. We was playing the wegi board and it started moving and we ran. We all was trying to get out the door at the same time. See you on the other side. Gods gained an Angel.*
