“ My deepest condolences to the entire Potts Family . Especially Mr, Bob, Mike, Tony, and David! I was SHOCKED/ HEARTBROKEN to say the least to hear about Debra and Ms. Betty as well! Dianna Bretz told me the news about our friend Debra and Ms. Betty Yvette Faiola , she is married to my cousin Nicholas Faiola, Yvette is Anna Mae's daughter. Debra and I hadn't been in contact for some time but upon hearing the news, I recalled the many great times we shared over the years. She will always remain close to my heart! We grew up together. Shared many childhood memories with one another, She was like a sister to me. Very saddened that I was unable to speak with her one last time or say goodbye. It has been a rough couple of years with loss for me. My Mother passed, another childhood friend I was close with Isabella Mineo Debra's friend as well and my husband. I'm in the NSG field and had been taking care of my husband since 2016 until January 4th,2020. He suffered from a Brain Aneurysm I found him down one morning when returning home from work. I took care of him at home. I realize much time has passed since she has been gone, I am just now getting my own self back by on track. i don't believe you every really forget when someone you love is gone. Life goes on and you adjust but never forget! You all are in my thought's and prayer's. God Bless.
