“ *Diane and I met the summer of 1965 at East Tennessee University. Kept in touch off and on through the years. For the last two weeks I wondered why I had not heard from her. Sent her a message a few minutes ago then read her obituary on her Facebook page. Am thankful for the time we had together in this life and comforted to know we will meet again.*

“ Prayers For All The Family and Friends. I am so Sorry to hear this news of Diane passing. I've know Diane for Over 13 years. She was always nice to me. I know she loved her Son Scott And Grandson Dagan very much. I know she had Faith in God and would want everyone know not to put off Salvation. I admired her for The Care She Shown towards Dagan her grandson . Remember the Family during this time and in the Future.

“ *Diane, Denise, my sister Mary Ann and I grew up together, went to church together, and later Diane and I worked together before she moved away. Our parents were also good friends. I have many many fond memories of all these times. Later after I had moved to Greeneville I found out she also had moved there. Although I rarely saw her I did occasionally run into her. We will all miss her and I am praying for comfort for you Denise and for Dagan.*

“ My heart is saddened for you, Denise, and for her “little boy” Scott. I have so very many memories of Diane and Denise every Thanksgiving Day. We ran and played and laughed and Diane and Bobby and I shut our younger sister and brother out.....just because we could!!!

Today both my younger brothers and your older sister, along with all our parents, are in their Heavenly home. What a grand reunion they had on Sunday when Diane arrived!

You'll miss her, Denise! I miss my brothers terribly! We'll miss our parents and siblings, but wouldn't have them come back to this awful, sinful world.

We're praying for you, dear Denise and John. We're praying for you Scott.
