“ Diane was always like another Sister. She and Susan , my younger sister were inseparable! She was at our house as much as she was at her own house. She called my parents mom and dad.. She will surely be missed by all that knew her. She told me she could only think of one reason the Lord had left her here and that was to pray for everyone. And that she did !! Thank you Lord for your kindness to us by letting her stay with us even though she was suffering so much. And you Lord have taken her into your Great Arms and someday soon we will meet again..Rest In Peace Dear Friend !

“ Prayers & sympathy to all. I was privileged to work with Diane @ Morristown Ford for approximately 17 years. She was a very knowledge in her job- parts manager . She & I were part of management crew that was taken to FMC Dearborn for training (her first plane trip) so many memories thru the years- Christmases shared, cookouts @ work. A truly amazing lady. No more sickness, no more pain, rejoicing with her loved ones (especially her son Richie) . You were truly an amazing individual.
