“ *Don is a truly special person and I am so blessed to call myself a friend of his. I always looked forward to seeing him at church. He has this warm friendly, humble way about him that makes you feel blessed in his presence. I look forward to seeing him again. He will be missed here in this world.*

“ *Donald Roberts was one of those rare people with a warmth and kindness that touches everyone. I loved the way he greeted me and squeezed my hand at church, and honestly Don was the first person I looked for at church. I loved talking to him! He had a great personality, love for Jesus, enthusiasm for scripture discussions and attended services faithfully. He was my friend and brother in Christ, and we all loved him at Fellowship Presbyterian. He will be greatly missed.*

You will forever be in the hearts of friends and family Camo Don. I will always remember the camo cake I made you and you took it home for your wife to see before you cut it. Then being the sweetheart you were, you brought us a piece to work the next day! Love and prayers for the family of this precious friend.
