“ *Rest In Peace Donna (Sis). We didn't spend much time together over the years, but I'm thankful for the time we spent together. I'm glad we had Facebook to stay connected. My thoughts and prayers are with your family.*

“ *Such a friendly, caring woman. We could talk for hours about nothing at all. She raised a strong daughter, as only a strong woman can. She loved her family and husband dearly. What a true inspiration. My thoughts and prayers to all of you. Our loss is Heavens gain. May all the memories bring you comfort.*

“ *My husband and I met Donna & Connie at Emerald Isle N.C. they were neighbors on Lamroc drive, Donna made the best potato salad to bring to cookouts it always tasted like what my mom made and she made good chocolate Eclairs. Donna & Connie moved to Cosby Tennessee and when we visited Gatlinburg we would stop in Connie's work to visit, praying for Connie, Krystal, Amanda and the rest of the family.* 🌸🌸🙏🙏
