“ My sister in Christ has gone to be with Jesus.... She was a wonderful lady who truly loved her family and friends. She sang by herself and with the Piney Grove Choir. She taught Sunday School and taught my granddaughters class in Bible School this past summer. She was always willing to do for her Lord at the Church. I pray God gives her mother Gail, her husband Randell, and her sons Sean, John, Jacob and Samuel comfort and peace in the days and weeks to come. . I was blessed to know and love Donna . She will be missed terribly by her family and her Church Family. Until we meet again Dear Sister. I love you!

“ *Although I didn't have the opportunity to meet you personally, Mrs. Presnell. I would like to say thank you. The decisions you and Randall made ultimately led me to meet one of your sons, Sean.*

I would need the hands of everyone I know—and more—to count the number of times Sean has been there for me. He has been a friend to rely on, someone to confide in and seek advice from. More often than not, he has been someone to share countless laughs with and make the most of our time together.

I hope you are at peace, knowing that the best parts of you live on through those you held dear during your time here. To those who are grieving the loss of Donna, please know that the heart beats a little lighter each day. I wish everyone the best in this time of healing.
