“ A new angel in glory. Dorothy was such a gentle person; soft spoken and kind. Always thinking of others and did so much for her children and their families. For years I was privileged to see her almost daily as I visited my mother who lived across from her. For a little while we attended the same church. Dorothy was given a loving family who cared for her every need and they were blessed to have her many years. I am thinking about each one of you especially Chandler. God bless you
