“ David, Doug, Tom and family, I am so sorry to hear of Preacher’s passing. I know your hearts are heavy but think of what a reunion your dad has had, he has finally reached Heaven’s shore. He ran his race, he kept the faith and finished his course. I recall messages he preached, one he titled “you are a V.I.P. To God and another he preached that he would like to have a Jonathan in his life but more importantly that he would like to be a Jonathan in reference to what a friend Jonathan was to King David. I remember the power went out and he preached in the dark and after he wrecked his motorcycle, he sat in front of the remembrance table and preached with a cast on. I hope God comforts your hearts with many precious memories of your dad and with knowing that you can see him again someday. I’m praying for you all. John14:1-3. Stacy and Vicki Swatzell

“ Brother Messer was a delight to hear preach. I was often amazed at his ability to connect scriptures and bring the gospel to light. He preached for us a lot in Sevier County. We will miss him dearly but he has now gained what he preached so much about. I'm sure he heard "Well done my Son." To all the family I offer sincere condolences and prayers for God to give you peace.

“ Doug was a wonderful man, in so many ways! He was the best grandfather I could've ever asked for my kids, and he took so much pride in his grandbabies,too. The man never rested a day in his life, that is have seen. It's time to rest now Papaw Doug! We will always love you and think of you most fondly! There was no more generous person. If the world would take a page from Doug's book, it would be a much better place to live in!
