“ *Donnie, Dan and I (Terry) are so sorry for the loss of your mother. We both thought so much of her. I'm sorry that we weren't able to come by and sit with her and listen to her funny stories. We haven't known many great ladies like her. She was one of a kind. I loved her laugh and her smile. I'm sorry we just found out about her passing. Dan was thinking of you and her, so I looked her up. I hate to think of her gone, but at the same time I'm glad she isn't suffering with her back.
Know we are thinking of you, Wanda and the boys. Dan and Terry Cope*
