“ I'll never forget the road trip to TN from Cleveland, OH with Carver, my sister and my cousins in his Suburban. One of my best, fondest memories of my life. He was loved and will be greatly missed by many.

The loss of a friend and classmate is always sad. Elbert Sherman was so kind, generous and always (when we talked) looking to the future. He always was wanting his classmates of Cosby1961 to get together. He was instrumental in helping our class get together many times. We will always miss him and remember him. My condolence to his family and loved ones

My friend, " go rest high on that mountain; your work on earth is done." My condolences to Danny Ray and family on the death of Elbert. We were life-long friends reuniting at class reunions and other get-togethers when we would share the good times together. Elbert was a most caring and considerate man often going out of his lane to help someone else in need, Maiy the God of Glory welcome you to the "new Jerusalem" which is heaven.
