“ I am sorry for your loss.
I will never forget Leoma's warmth and kindness and how it has touched my life. Working out of town always makes going to vote a really big challenge for me but I always looked forward to it because I knew Leoma would be there to greet me and get me signed in. This always meant the world to me because I would always be rushing in stressed and frazzled from the commute at the last minute before the polls closed and she would always greet me with her familiar welcoming smile. That smile was always a big comfort to me and a true blessing. My thoughts and prayers of comfort are with all of you.

“ Leoma Shelton was one of a kind, Joe has always referred to her as a firebrand. She was so fun to be around and you never knew what was coming. Her passing will leave such a void in the lives of her family. Leoma and Billy were inseparable and her boys were her pride and joy. We were privileged to know her and we will miss her so much.
