“ We knew the end was here. She was sitting on the side of her bed. She said Jeanie n Kylie come n have church with us. You've got to hear this preacher he's so good . she wouldn't hush until we sat down with her. She had her hands up in the air prasing God. Momma you were the best momma in this entire world. The true meaning of mother is when you sacrifice n do without to take care of them. Momma I don't know how this family is going to be cuz you were the glue that kept us together. I love you
