“ *Many hours passed in the shop, looking and learning after getting my haircut next door. Mr Painter, Your patience with my many, silly questions was appreciated.*

“ When we think of Elza, we always think about the photography Shop. One special memory we have was talking with Elza about all the old 8MM home movies that we had gotten from family. we wanted to see if there was a way to move these on to a VHS tape. Elza said he could do this. He placed them on one VHS tape and added wonderful music to it. This brought tears to our eyes when we watched it. The selection of music was wonderful. In the technology of today this seems common but this was in a time when this process was not really available. He made copies for each family member and this is still a wonderful memory for us.

Elza was always kind and would offer help with anything you needed. We will miss our Brother in Christ.

We pray for comfort for all the family
