“ *Our family and Eva's family were close friends and lived near each other. I have great memories of Eva and her sibling sisters (Faye and Dannie). They were precious friends during my early years. Eva had such a sweet spirit and a servant heart - one that any one of us would strive to have for ourselves. Her memory will live on in those of us who truly knew her.*

Respectfully,

Roger A Butler

“ *How I know Eva is from Paralounge. She would come with her daughter and stay in the motorhome. She would come to the common hall for breakfast and light up the room with her smile. She just loved people and enjoyed all the festivities at the gathering. Her smile will be missed but her presence will be felt at our next gathering. Peace and love*
