“ Gena and Uncle Johnny,

Goodness I don't really know where to start other than saying that I loved Aunt Evelyn so much and I will miss her so much. I have so many precious memories of her and I will always remember her. Now she is in Heaven with her family members who have been waiting on her there. It's so sad how the time and years fly by. Even though we live a state apart, that's never stopped the love that I have for my family in Tennessee. You all will be in my heart, thoughts and prayers and I know God will comfort you during this time. Please let me know if you all need anything. I love you all.
