“ *I was shocked to read about Fonda's death. We went to Cosby High School together and we both worked at Greystone Lodge from 2001 until 2012. She was a sweet, hard-working lady who always greeted everyone with a smile. She will be sadly missed by my family. Such nice memories! Much love from Venida and Mike Hosier.*

“ I will miss my cousin Fonda so very much. Our families were always close. Guess that's what happens when twin brothers marry sisters. She had such a good and big heart. I could never begin to thank her enough for helping to take care of Mom, her Aunt, Nina Phillips, when she was sick.

Whenever I came back to the mountains we got together and did something. Went to Dollywood, the Aquarium or other sites in Gatlinburg. Sometimes just a meal together. I always told her she was older than me because she had such beautiful white hair. She got back at me with s nickname of Aunt Granny Vickie after my great nephew was old enough to talk. She loved having him call me that and I would pretend to be upset. She would laugh so much. Used to talk to each other late at night when I was getting off work and she was going to work.

We love and will miss her, Vickie, Richard, and Kyle Mesler 🥹🥹💕💕

“ Fonda and Winnie would make frequent "flying trips" to see my mama (her Aunt Jettie). After Winnie passed, Fonda made the trips solo. She always brought food to prepare and often brought lunch to mama. Mama loved her and her visits. Thank you, Fonda, for your sweet spirit and the way you loved my mama. You will be greatly missed.
