“ *This is Christina her granddaughter, she lived with me for these past few years and I'm going to be the first to tell u there was times we couldn't stand each other we were just alike but when it came to it she was my rock, my best friend and my grandmother all in one. I know she will always be with me but that doesn't make things I easier, so if anyone has a story about you and her, I would love to hear it!!*
