“ Dear Brady,
I am so sorry for the loss of Frances. She was a dear cousin who called me several times to talk about family history. I am heartbroken that you have lost your entire family in such a short period of time. I have many good memories of your family and of Uncle Worley and Aunt Rose. I pray you find peace and comfort in the coming days. Donna Gunter

“ *Brady and Family:*

I'm so very, very sorry to read this. I considered Frances a dear friend of many years and so enjoyed our many conversations about family and community history. She and your dad were tremendously helpful in our cemetery research and I'll always be grateful for that. They left such a positive mark on their community and will be remembered for many years to come.
