“ I came to love Ms. Freda when I met her at our church. She and Ward were the first people to greet us when we came to visit. She later became both my boys Sunday school teacher & they loved her so much. She was so gentle & loving with them even when they were being wild. She was so precious to our family and our church. She will always hold a special place in our hearts. Love & prayers for your family.

“ Freda and I met about 50 years ago when we worked together. We remained friends through the years. She always had a way of knowing when something was wrong or I needed to hear her voice. I will miss that the most. My love to Nicky and Regenia and family. The world lost an angel and Heaven gained one.
