“ *Freida*

The delicately tiny dark hair, dark eyed little girl with skin as alabaster white as snow. A little Snow White princess.

So quiet and delicate in appearance, dark eyes that shine with a light from deep within her thoughts. Always amazingly alert and listening to whatever was going on around her.

Giggling and smiling that warms us all with many many questions, thoughts and ideas.

Never complaining. Never harsh. Only kind words. Always ready to lend a ear or a thought to try to make things better. Sweet as the day God made her. So good to of had in our lives. Our loss was to soon. Glad to know she'll see God again and she'll have wings.

“ *To me Freida was always a ray of sunshine. She kept me connected to my Metcalf family even though I am miles away. When there was a need she never failed to call and ask for prayer. Since her passing the world has grown dimmer as it does for every Christian who leaves this world. I will miss her calls and texting but I know she is rejoicing with all her loved ones gone before her and that makes me happy. ❤️*
