“ Ken,
Im so sorry to learn about Gail's passing. Such a great love story about former high school sweethearts finding each other later in life. May God be with you during this difficult time.

“ *I went to Hobart High School with Gail (in Hobart Indiana). What a pretty gal, and such a good student. She came to many of our reunions, and though she moved away from the "region", I count her as a dear friend. Deepest sympathy to Ken and family.*
