

Gary L. Hammonds

January 21, 1943 - February 14, 2025

Gary Hammonds, a respected pharmacist, and beloved son, husband, father, grandfather, uncle, brother, coach, and pillar of his community, passed away peacefully on February 14, 2025, at the age of 82.

Born on January 21, 1943, Gary dedicated his life to serving others—whether through his profession, his passion for coaching, or his leadership within his community. He founded Town and Country Drugs in 1974, where he revolutionized pharmacy services in Newport by introducing computer-tracked prescriptions, a drive-thru window, and even the chance for customers to pet a live parrot. More than a business owner, Gary was a trusted advisor, a problem-solver, and a friend to thousands who sought his guidance—whether for a prescription, a home remedy, or solving life's problems at the round table.

Before opening his own pharmacy, Gary worked at Todd & Armstead Pharmacy and Z-Buda Pharmacies in Knoxville and surrounding areas. Regardless of where he practiced, his true calling was helping people. His generosity was boundless—he never hesitated to give medicine to a family in need, provide medical supplies to a stranger, offer his famous "Gary's cough syrup" to a friend, or simply lend a helping hand whenever it was needed. Beyond his pharmacy, Gary was a passionate coach and mentor. As the first head coach of the Cocke County Middle School football program when it launched in 1999, he helped shape young athletes both on and off the field. But his coaching legacy spanned over four decades, as he guided and

inspired countless children in the little league program at the Newport City Park.

His commitment to his community extended even further. Gary served on the Jefferson-Cocke County Utility District's Board of Commissioners, including as President of the Board during his tenure. He was deeply involved in several local churches, serving as Sunday School Director at West End Baptist Church and currently a member of Providence Baptist Church.

Gary's love for the outdoors was equally strong. Whether hiking and horseback riding in the Smoky Mountains, saltwater fishing along the coast, or caring for his wide array of waterfowl, birds, and farm animals, he found joy in nature's beauty and simplicity.

Above all, Gary's greatest love was his family. In 1967, he married Peggy Farr Hammonds, and together they built a life rooted in love and faith. They raised four children, Molly (Rodney) Scarbrough of Athens, TN; John (Shelley) Hammonds and Clint (Amy) Hammonds of Newport, TN; and Dan (Jenna) Hammonds of Greeneville, TN. His legacy continues through his 14 grandchildren: Laura (Andy) Towne, Hannah (John) Tapp, Max (Hannah) Hammonds, Wilson Scarbrough, Faith Hammonds (Patrick Ledford), Dixie Hammonds, Eli Hammonds, Leah Hammonds, Emma Hammonds, Miley Hammonds, James Scarbrough, Julia Scarbrough, Anna Hammonds, and Presley Hammonds. Gary is also survived by his brother, Benny (Beverly) Hammonds of Gatlinburg, who shared in his love for family, hard work, and a good conversation—values that kept their bond strong through the years and will continue to live on in the stories they created together. He also leaves behind a steadfast group of nieces and nephews who will forever cherish his wisdom, humor, and generosity, as well as a host of dear friends who were like family to him, each carrying memories of his kindness, laughter, and unwavering support.

Gary Hammonds was a man whose heart was always open and whose generosity knew no bounds. His impact will be felt for generations, not just in the family he adored, but in the lives of the many people he helped, mentored,

and uplifted. Though he may be gone, the kindness, wisdom, and warmth he shared will forever remain in the hearts of those who had the privilege of knowing him.

Now in his heavenly home, Gary is reunited with his father and mother, Don and Mamie Hammonds, and his brother Richard Hammonds.

The family will receive friends from 4 pm -7 pm Monday, February 17, 2025 with the funeral service following at 7 pm in Manes Funeral Home Chapel, with Rev. Stephen Neal officiating.

Burial will be held 11 am Tuesday, February 18, 2025 in Union Cemetery.

In lieu of flowers, donations can be made to the Children's and Youth Ministry of Providence Baptist Church located at 2263 Cosby Highway, Newport, TN 37821. 423-625-0557.

“ *I am so sorry to hear about Gary. I have many fond memories of him when we were kids. I know we visited one time and all the boys had stilts. I thought they were so cool. I even tried to walk on them. When I went to college, the pharmacy was close to UT in Knoxville. I would often walk to it to see Gary. He was always so kind. He will be missed.*

“ I have so many wonderful memories of Gary, Peggy, and all the children. I was lucky enough to be called teacher by Molly, Clint, and Dan. Somehow, I missed John. Then, I was lucky enough to get to teach Faith. I've enjoyed years of friendship with Peggy. Gary was my pharmacist until he retired. I credit Gary with saving my life some years ago. I ended up in the ER. It was an allergic reaction to an antibiotic. At the ER, I was given another antibiotic. Gary wouldn't fill it until I had seen my internist. By the next morning my internist had me in St. Mary's Medical Center. My internist said that my pharmacist had probably saved my life. He wouldn't fill that second antibiotic. I have always had a very special place in my heart for Gary. I've always felt that I might not still be here today without Gary's wisdom. It was such a joy teaching his family. It was a joy going to the drugstore. Gary was always happy. Peggy and all the family my heart aches with yours. The entire community has lost a wonderful man, but it also has so many memories to keep.

“ Everything that his beloved son John said in the announcement of Gary’s departure and the Obituary is true but so much more could be said. Working for Gary from the age of 14 to 18 and some Summers following that opened my eyes to his giving nature. I don’t think I ever saw him say no to any request unless it was illegal. Unfortunately, as a Pharmacist, he was sometimes faced with such requests. Gary was one of the few men I ever met that was athletic, intelligent (with book sense and common sense), kind and so dedicated to his dear wife Peggy and family ❤️. He would repeatedly tell everyone the story of their first meeting and date to all. Gary even advised me on a college major after he and Peggy helped me gain the confidence to go to college as part of my earthly father’s last wish for all the girls. I could write a book and might just do that for the family later to describe this giant of a man so well respected. For now, praying for all of you and please reflect on him with his loved ones preceding him in his true Heavenly Home but also surrounded by the things of nature that he loved 🌿.
