“ Gary was such a goodun'. Knew him for decades. Always the same whenever I saw him. Such a joy. Always spoke his mind. A straight shooter as my Pop used to say. One of a kind. I was blessed to call him my friend. Rest high my brother. Until we meet again. Condolences to the family. May God comfort and console during this trying time.

“ Gary was always one of my favorite cousins. He had a heart of gold and was truly a gentle, kind soul. When I was a little girl and my hair was all a tangled mess and I was complaining about Mamaw pulling my hair with her brush, Gary would take the brush and very patiently get all the tangles out and never pulled my hair. Looking back he was always a caring person even as a young teenager. Loved him bunches and his warm hugs and “I love you baby.” He will be missed.
