“ When I first met Ms. Geneva we had only been in Newport a short time. We lived next door to the Hamblin-Evans family. It was great weather so both our families were spilling out onto the grass in front of the houses...There was food, barbeque, fun and music. The kids were getting a bit loud as all the kids in the neighborhood gathered for all the right reasons. Ms. Geneva came out and Pat introduced us. She started to say something as she was shaking my hand but was overcome by all the kid noise. She slowly turned her head and just looked at the kids. She gave them 'The Look!' It was just seconds in passing but so very effective. Still holding my hand, she smiled sweetly and said 'Welcome to the neighborhood.' We knew we were home!!!
