“ Grandpa I miss you so much not a day has gone by that I haven't thought about you. Saying goodbye has been one of the hardest things I've ever had to do. I'm grateful for all the time I had here with you and everything you've taught me in life. I will never forget the last thing you told me. I will cherish that and all the memories we've had together. There isn't person in this world could take your place in my heart. I will love you forever and always.
