I have known Glen for 20 years. That is how long I have been a member of Brushy Mountain Bear Club. And I always looked forward to seeing him and a bunch more friends around and in Del Rio, TN. I thought a lot of him, and will miss our conversations together. The people in Del Rio, have a special something, that is hard to explain. All I know is they will help each other out, as needed, for whatever is needed. They are good people without a doubt. And this world needs a lot more people like the ones in Del Rio. Thank you Glen Norton, for being a friend indeed. I will miss you friend. Jerry Carmack, Bethpage, TN, 37022. jdc
