“ God made her stronger than most of us. She was a role model and worked so hard all of her life. We will miss one of Gods Wonders of our world.

“ God put strength, endurance, faith and a strong will into the mold when He created Mrs. Gloria. A mother who put herself last while raising her family. Along with all these wonderful traits she served her country with pride. Her traits have passed on and left a legacy to be carried for generations to come. My thoughts and prayers will forever be with you as I know this road of grief is a hard one to travel. May God breathe His SHALOM over you.
