“Grace was one of my moms favorite cousins. They would always play and work together in the fields growing up. As the years went by they always stayed in touch with each other and visited one another. When I lived with mom and dad to help them , Grace would come by; she and mom would sit outside on the porch and drink a coke and talk for hours. When I was growing up I would stay at Grace’s house and she always was so good 😊 to me. She treated me like one of her kids. I loved ☐ Grace and I will miss her dearly. God will keep her pain free now. Goodbye sweet friend. I guess you and mom are visiting in heaven. Love always; Tammie

“ It saddens me so much to see that this sweet lady as passed away. She always treated me just like one of her grandchildren, and I loved her just as much as a grandparent. There was never a time she wouldn't hug me when I seen her out. The last time I got to run in to her was at the Dixie Stampede a couple years, she was there enjoying it with Bobbie, Dottie, and Ryan. I love this family so much! I will be praying for you all. I am so sorry you have lost her from this world, but she rejoicing with our Heavenly father, and with all her loved ones that have gone on before her. And someday soon, we will be able to see her again.

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

I love you all!
