“ *I am so sorry to hear of this. To his family, please accept my condolences. Harold was one of the most gentle men I have ever known. I remember him having a great laugh many years ago at my expense. I was a kid at my grandmas house (Bernice/Taft Holt) and fell in the creek while playing in the yard. He was on the front porch and saw me fall in. I was so scared of snakes, I flew out of the creek faster than I fell in! 40 years later, we would still laugh about that day when i would see him at Liberty Hill. RIP Harold. You are in a happier place than the rest of us right now.*
