“ Herbert and I grew up together we were like two peas in a pod, one day we were at school (grammar) maybe 5th or 6th grade and he had spit right on top of my hair and a teacher had seen him so Herbert said well she spit in my eye, so off to the principals office we both went... ( I didn't spit in his eye lol) so if one of us got in trouble we both did. apparently that is what besties did....
