“ Kathryn and Keith, I'm so very sorry for your loss. I remember visiting your house with my dad on the weekends when I was a young teenager. I never remember Junior without a smile on his face. It was such a warm and welcoming place. I'm incredibly grateful that I was blessed enough to have been able to share those times and have those memories.

“ Having known Junior for close to 70 years. He always was a good hearted man. A loving husband and a provider for his family. If she were alive today his Mother in law would say he was her favorite. Hopefully now he is spending time in Heaven with her as she always prayed that he would. Going through life you see a lot of men but very few like Junior. He always treated me very good, not seeing him much in the past few years. I hope to see him again in Heaven with my Mother. Rest hight on that Mountain Junior
