“ I would have to say that I did not know JD's family but I'm sure you're a good group of folks to be associated with a really good person and co-worker. I generally only got to see JD when I was up helping with inventory, where he was always most helpful.

“ It's with great sadness that I write this. I am so sorry for your loss Linda, Cheryl & Debbie, Kids too. Although we'd not been close for a lot of years, J.D. was always special to me, I was a lot like him as a child. Kind of quiet and reserved. Pleas
