“ I met Jack about 18 years ago and immediately knew that he was going to be a good friend. He never failed to make me laugh anytime I was around him. He was definitely a one of a kind. Family, rest assured that he is no longer suffering with any pain, and his legs work perfectly. We will see him again soon.

I met Jackie when I was 17 years old. I liked him from the first time I met him. He was always laughing. Such a good guy. Loved him like a brother. I'm so sad to hear this.
