“ *Wanted to share a couple of memories qith Andy's family and friends. We all know how much he loved to talk, laugh and have a good time and captivate and entertain his audience just like his Dad in so many ways..*

*He called me one night some years ago and we talked for3 hours!! When we were younger we spent time with each others families,families, we all lived. I loved their Mother abd Dad who was my Uncle. More recently he ain't me a text wanting my mailing address then he sent me a wooden Bible which he made. I was thrilled and thankful he thought if me. He always came to see his big "buds" who have now gone on also and we always loved seeing him!! I'm unable to be there in your time of sorrow.but want you all to know my thoughts and prayers are there with you ñow and for a long, long time. I love each one of you and am sending my lovelove. God bless and comfort you as only he can and he's our help in these times abd these day ahead.My love to all of you.*
