“ Jim was one if the best people you could ever hope to know. With such a colorful background in sound and music/arts in general, my only regret is not getting to hear more of his stories,because boy he had plenty haha.  
He's been a wonderful husband to my mother Valerie and a great father to Garrett and myself.  
People loved Jim wherever he went.  
The world is a little darker without jimboz  
XOXO love u dad

“ We were grateful to have Jim and Valerie bless our home in California with a visit a couple of years ago. We were able to just be family united under one roof. We played pool, went swimming and enjoyed sharing meals together. Jim was a wonderful and loving husband to my baby sister. He loved her fiercely. Rest in heavenly peace Jim. 🙏

“ Jim was a cool guy, and a good father in law. He taught me a lot about sound. It's because of him we all work at the story telling festival.  
He was a great dad to his daughter Heather, and his grand daughters loved him.  
He will be missed.
