Thanks for putting this chronological video together. As a side note, I liked the background music "Uncloudy Day". Appropriate because Jimmy was so optimistic and raised the spirits of every one he met. Rest in Peace my friend.

“ Prayers for the family. I hate this so badly. I knew Jim through working at The Fox and Hounds in the 90s. Had the pleasure of waiting on him and his lovely wife again last year at the Hound. Just a wonderful man and true gentleman. I'll fondly remember him.

“ On behalf of myself, and my wife, Beth, we wish to express our sincere condolences. I will always remember Jimmy for his support (to coin a phrase), and mentoring as I learned the pipe support business. Without his help my business region would not have been as successful as it ultimately became.
With sincere condolences,

“ *Carol, I am so sorry to hear about Jim, and I am so glad that we got the chance to spend some time with him in Germany this fall. Jimmy as I referred to him, was always to me one of the happiest guys I knew. Always made me laugh and I know he adored his friends and family. I am sorry I cannot be there for his service, but know I am thinking of all of you.*

Jimmy will have them laughing up in heaven as soon as he arrives!

“ I loved visiting with Uncle Jim he shared all of the memories and information with me about the Italian side of our family I would text him and ask questions and he would text back right away. He told me the small town where our grandparents we from in Italy I'm hoping to make a trip to those towns in his honor. Such a kind loving person. I'm going to miss him so very much.

“ Jim,

We thought of you in love today, but that is nothing new. We thought about you yesterday and days before that too. We think of you in silence, we often speak your name. Now all we have is memories and your picture in a frame. Your memory is our keepsake, with which we'll never part. God has you in his keeping, we have you in our hearts.

Rest in peace,

Love, Diane and Sam
