“ *James was a great friend and was a lot like a big brother to me growing up on Bogard and Middle area. He taught me a lot about cutting and hauling pulp wood back in the sixties and early seventies, I always enjoyed seeing and talking to him in the later years when I saw him around town. I will miss just knowing he was around and feel like I have lost one of the last friends I had growing up.*

Rest in peace my friend! You will be remembered!

“ *James was always so kind. He will be missed. Mom and Dad loved their time with him. Talking and going on long rides then out to eat was something they enjoyed doing with James. Prayers for all of the family. -Emma & Shane Allen*

“ James is and was one of the best men I’ve ever known. From the sawmill, to the garage with paw, and everything in between. The fondest memories of my childhood that I carry daily involve James.

This one does indeed hurt. May he rest in peace and may we all receive the comfort we need. I love y’all!
