“ *Brother Green has been a blessing and very special friend for many years. Along with Preacher Kirk Brother Green helped us construct our ministry building over twenty years ago. We worshipped together often and did so Homecoming Sunday at Bridgeport two Sundays ago. Now he is home with our Lord. See you soon Brother Green. Love you! “ Uncle Jimmy and Aunt Edna were so good to me when I was a little boy. I spent so much time with them. They lived two houses down from us. I would stay with them all day into the nite sometimes. They treated me as if I was there kid. I hated it when they moved to Tenn. I almost went with them. My mom (jimmys sister) changed her mind at the last second. She thought she would never see me again if I went with them. Loved Jimmy and Edna very much. Rest In Peace uncle Jimmy
