That's such a lovely video. He will be missed. We'd been friends since as far back as I can remember. We always met at the basketball court with the other kids. We danced at our 8th grade prom. When we graduated parrottsville. Oh that show Ms. Tate had us put on. I'll never forget you Mike. I never thought we'd be here in this point in time back then. So glad I was able to talk to you at the laundromat. Still saw that young kid in your eyes. Amazing how memories flood back. Rest in peace my friend.
