“ *I'm Missy. I work at the front desk of the facility James' wife is living in. I always enjoyed seeing him and his family when they came to visit. He was so very proud to introduce me to his great-grandbaby and grandson. He was beaming and grinning from ear to ear and told me that his wife was meeting the baby for the first time that day. I'm so very sorry for your loss. I sure will miss seeing his smiling face. May your memories bring you comfort in the difficult days ahead.*

“ Sending my prayers and deepest sympathy to the entire Moody family and all who were touched by the love and inspiration of this exceptional man! I was blessed to be loved by James and the entire family; they all treated me like one of their own! James was like a father to me, expressing his amazing love, gentleness, guidance, wisdom, and humor throughout the past 40 years! He was one of the most honorable men I have ever met - being a devoted husband, father, grandfather, brother, uncle, friend, community volunteer, and faithful Christian! He was smart, generous, and kind; with such a fun personality! I was able to visit him during his final days and held his hand, sang to him, and thanked God for the gift of such a special man and loving father! My selfish heart wanted to keep him here forever, but it was time for God to take him home. Until I see you again.....❤️❤️

With love always for James and the entire family!
