“ Praying for the family. He told me one day at work that I was his little girlfriend way back years ago when we lived in Muddy Hollower. Lol of course I didn't remember. I really liked when he would call me little Moe (after my dad). I also worked with him at ConAgra. I got to see him a few months ago at Janice's restaurant & we talked for a little while. He was always kind to me. I'm sorry I can't be there. I have to work. Love & prayers for you all. Neighbors from Chestnut Hill.
