“ *Jimmy was a friend of the family. I enjoyed our talks and his humor was always welcome.*

My folks have property on the lake which is how Melvin and Jimmy came into our lives. My sister appreciated him stopping by and expressing his condolences in the passing of our Dad.; his last visit on the lake. I imagine Jimmy, Dad, Melvin and a large crowd of lake people who have gone before gathering to welcome Jimmy.

May Jimmy's family find peace and comfort in those memories which warm and fill your heart.
