“ Uncle Jimmy was a great man. I remember when I was a little girl
and hearing papaw call him Jimmy skinner. I didn't know who he
was talking about but I figured it out eventually. I remember his pipe
and loving the smell of the smoke. My memories are too many to
count and my post would be way to long. I will miss you but I'll see
you again someday. Love you!

“ I don’t have the words to express my sadness in hearing about Jimmy’s passing. He was such a wonderful friend and neighbor to my parents. He was always just a phone call away. He helped them with everything and anything. He would visit them on a daily basis.
