“ I worked with him at Conagra, to later discover he would be a huge part in my grandson's life, for his grandson's. & mine became very good friends. I got to know his wife this way also. This family is special to me & I hope they know they are loved & in my prayers. I will tell them one day how I embarrassed him .

“ Debbie, Adam and all the family: I loved James. He was my precious friend. I've cried a river knowing he is gone from us forever. He fought to live, and God spared him more time to spend with all of us..... We laughed, cried, and shared memories together until his last breathe. He loved his family and friends unconditionally. Many many prayers for this family that I truly love so much. My heart is broken with yours. Rest in peace my friend James Wilson. I will miss you terribly. Debbie and Adam I love you and I am so so sorry. 💔
