“ Janet was the epitome of kindness, gentleness and warmth of spirit. She always had a smile on her face and her love for Jesus was radiant. The only comfort in this sorrow is knowing her joy and reward in heaven is so many times greater than the great loss felt now. Sending prayers and love from Germany.

“ I have known and loved Janet for most of my adult life. We have laughed, cried and worshipped together as well as served in many area of church and community efforts. Her smile lit up a room, and she was talented in so many different ways. She surely will be missed by all who were blessed to call her friend

“ When I think of Janet there is always a smiling face and a warm heart. Although we didn't get to spend a lot of time together, the time spent together was always congenial and entertaining. I will miss your wonderful spirit. Rest in peace, go with God and please watch over us until we meet again.

“ I met Janet for the first time in 2000 at Cracker Barrel on Jimmy Carter Boulevard in Atlanta when my son Kevin and his new friend Heather were saying goodbye and heading to California. Janet was a lot calmer about the departure than I was. I think that typified Janet for me. Someone who was calm and reasonable.

In all the time since 2000 I had always enjoyed spending time with Janet especially when the Georgia Bull Dogs were winning!

I will miss her sense of humor, Christian focus and the loving moments when she was with Cass and Kaia.
