“ *She always treated me and my daughter as family. Janie was such a gracious lady and kind to everyone she met. May Gods peace be with you all at this time. Know we will all see her again one day. God bless.*

“ *Janie was a beautiful person who was so kind to my family and me. Her son Mike and I were inseparable best friends and I can remember vividly being in her house in Zephyrhills (as I was so much) and her asking me if I was hungry (as I always was). She treated me like a third son even if it meant telling me to behave, which probably happened much too often. She made me feel completely at home; and I hope she knew how much I appreciated it. She will never be forgotten by the Beadle family.*

*Sam, Rick, and Family,
My heart is broken at losing Mrs. Janie. We had already made plans to come sing to her on December 13th and bring cookies with coffee. We sang your favorite songs....Mansion Over the Hilltop, Farther Along, and The Last Mile of the Way. You are now in your beautiful mansion. I can't wait to see you again. Thank you for being an extra special grandma to Amanda and later on to Jayke. He saw your picture and asked why you weren't at church anymore. Thank you for making me smile at church the last 30 years. Thank you for all the beautiful music you played. Thank you for allowing me to accompany you on the piano. Family members, please know she is at home with her Heavenly Father. She is probably playing harps of gold along with every other instrument there. May God give you peace, comfort, strength, and understanding over the next weeks and months. We love you all!
