“ Linda, Josie, Josh and Family:
Kay and I were shocked and heartbroken to hear this news. My friendship with Jason dates back over 50 years ago in the CCHS Band. What fun we had! As the years passed our friendship grew. We married, became parents, and glory be...grandparents! While we didn't see one another often, when we did we talked fast and furious to update one another. I'll carry these memories in the coming days as I pray for God and His Angels give you comfort and peace as they walk beside you.

“ Jason Wice was probably the kindest, most warm-hearted person I have ever known. He was always ready with a big smile, a funny story and a song on the spot. He put many songs in my heart, and I will never forget the kindness and acceptance he showed me. His gifts and talents were immeasurable, and he was a pillar of First Christian Church. Together, we made musical memories that I will carry with me forever. It is with love and sincerity that I say to Linda, Josh and the entire family, that I am praying for you. You are truly in my heart. He didn't just carry the cross.....He carries you.

Jason and I met when we were freshmen at CCHS. We were fast friends immediately, and that continued on as roommates at UT, and then a lifelong friendship continued afterward. He and I both used to say that we were "brothers from another mother," and that certainly seemed to be true. We shared a lifelong keen interest in anything car related; he leaned toward Chevrolets and I leaned toward Fords, but we each had several of both makes along the way. I always knew I could call on him day or night for anything, and he would immediately show up to help; I hope he felt the same way. To Miss Josie, Linda and Josh - I cannot imagine the depth of your pain and sense of loss. I take comfort in the firm belief that we will all be reunited one day with Jason. Rest in peace, my friend - you will be sorely missed.
