The Reagan's were all about family. It is very clear from this video that Jayne Ann had the biggest smile on her face when with the children, grandchildren and even great grandchildren were with her. Such a lovely, active woman who left fragrant memories behind until you are all reunited again. Thoughts and prayers, Kevin and Patti Banker

I'm so very sorry for your loss. She was a mother to all the cheerleaders and I loved her. She was such a beautiful woman of class, inside and out , and loved her family beyond words. You are all in my thoughts and prayers. She was such a bright light for all who knew her. Love you all.

She was very helpful to the can shop employees. Many times we would have questions about insurance and she was always going the extra mile to find the answer. Creed always had to stop to say hello and talk about the good times working at the can shop. Always took an active part in her community. All that knew her was blessed. Jane and Creed Allen

“ As I read all the memories, majority of everyone says she was like a
"Mother" to them. That is who she was. Someone who would listen,
laugh at your jokes, and made you feel better when you were
having a bad day. Sometimes she gave you the hard truth but in a
way that was kind and informative because she cared. Jayne Ann
will be missed by oh so many but will be remembered by all that
knew her. My condolences to the family and extended families that
she had, but I don't think there is a lot to worry as those that loved
her, she made you a better person. GOD Bless
