“ My heart goes out to her family and especially her daughter and significant other. Jennifer was a rare soul with a warming smile and I always loved to hear her sweet voice in a song. Her Heart was as beautiful as she was. She was truly a loving friend that I will always be thankful to have had for over 40 years. I'm glad i was able to talk with her and let her know how much she was loved before God called her home.. Til we meet again one glad day. Forever your Sister i love you

“ Jennifer was my best friend in grade school and threw out high school. We Laughed more than we ever could And gotten into trouble more than we should. Life is like a vapor. Here for only a short moment and then gone the next. This still seems to me so unfathomable. I will never forget our memories we made together. Grief never ends, but it changes. It's a passage not a place to stay. Grief is not a sound of weakness, nor a lack of faith. Grief is The price of love. My sincerest condolences to the family and friends and Miss Serena.
